

WELDED THERMOPLASTIC SYSTEMS

for environments where traditional materials fail

+234 (0)806 896 8135

AQUATELOS

PLASTIC FABRICATION. ENGINEERED.

UNDER CONTINUOUS EXPOSURE
traditional materials
fall short

degradation is unavoidable

corrosion turns structural

leakage becomes chronic

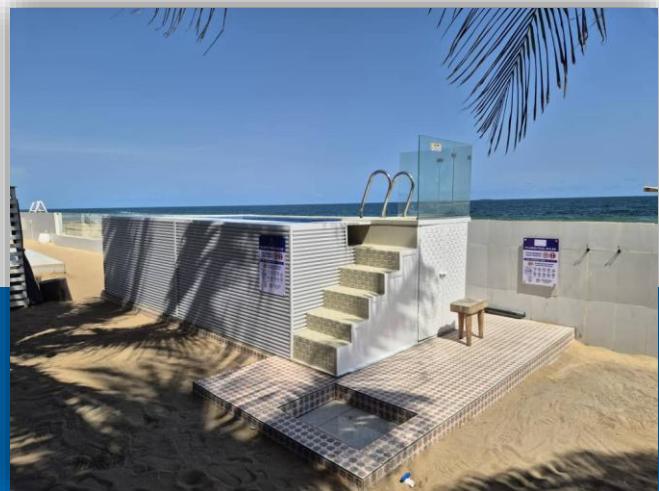

maintenance becomes permanent

AQUATELOS
REMOTES THOSE CONSTRAINTS AT SOURCE

Mega Plaza Mall, Lagos

AQUATELOS **grease trap**

ZERO TOLERANCE

Jara Beach Resort, Lagos

AQUATELOS **plunge pool**

COASTAL EXPOSURE

**WE START WITH THE ENVIRONMENT,
not with the product.**

**Real exposure conditions are assessed.
Material options narrowed accordingly.**

**Clients verify fabrication quality
at our Apapa workshop.**

7 Sola Ayo-Vaughan Road
G.R.A. Apapa, Lagos

AQUATELOS
